

Life's Better On Top

Welcome to Arrive First Hill, offering the convenience of an ideal Seattle address. The First Hill neighborhood is a unique location that is more relaxed than neighboring hotspots with direct access to I-5. Our renovated homes showcase quartz countertops, stainless steel appliances, matte black fixtures, and upgraded LVP flooring. You'll love being a part of our pet-friendly community featuring:

- State-of-the-Art Fitness Center
- Smoke Free
- Controlled Access Community
- Pet Friendly
- Garage Parking Available
- Package Lockers
- Rooftop Lounge with Grill

Live at the Center of Everything

Although First Hill is quieter than other urban hubs, thanks to its smaller retail presence, it is a short 15-minute walk from Seattle's downtown and the International District. We are also near the highly sought-after Capitol Hill neighborhood, which is home to the city's most vibrant shops, restaurants, and entertainment. Call today to schedule your personalized tour!
